

Z Sauce Works, LLC-Catering Menu

Executive Chef Mark Zeigler runs a staff of professional caterers with a difference. We start every catering assignment the same way; with fresh, quality ingredients and a genuine concern for exceeding your expectations. Our Executive chef creates dishes that look and taste stunning, finished off with our renowned attention to detail and service. We can prepare vegetarian alternatives for all meal functions. Should you wish to customize a menu, our Catering Director will be pleased to assist you.

We are your best option! From formal sit down dinners, elegant cocktail parties, casual BBQ'S, boardroom lunches, special events to coffee breaks, we continue to impress, first time, every time.

Our global menus cater to all tastes, from modern Asian, European, Classic French or contemporary American. Whatever the flavor, our aim is always the same... to create a dining experience that will exceed your expectations.

With the best ingredients, sourced directly from quality food providers and local purveyors... we stand by our principal belief that quality ingredients produce quality meals. We do not serve prefabricated items, as our entire menu items are made in-house from our appetizers to our zesty salad dressings.

We can custom design a menu for you! A range of catering menus have been collaborated to assist you in planning your event, however should you be planning a themed event, we would be delighted to create alternative catering menus for you to consider. Please take a look through our catering menus that provide you with just a few ideas of what delicious and fresh meals we can provide for you.

Sincerely,
Chef Mark "ZIG" Zeigler & Your Catering Team

Attention to Detail & Service

Setup/Confirmations

All house cloths needed for your event must be ordered through the catering department for every function. All catering orders will receive an emailed confirmation detailing the order. You are responsible for ensuring that your confirmation is correct. Any increase in food quantities must be detailed on expansion agreements.
